

St Aidan's Times

ALL THE BREAKING NEWS FROM THIS MONTH

A highlight from this month has been when we went into space. First we put on our astronaut suits and helmets. Then we blasted off in our rockets around the play ground. We saw Hoola-Hoops in the sky. We landed in the ICT room where we laid on the floor and looked up to see an amazing site.

We saw Jupiter, Saturn, Earth, Mars, the Sun, moon and stars and even Aurora Borealis! It was all so amazing and beautiful. By Sienna Rose.

ALL THE BREAKING NEWS FROM THIS MONTH

A highlight from this month has been

A letter from Buckingham Palace. Which was a reply to a letter we wrote about climate change. The King was very impressed with our letters as he said, "The King has asked me to thank you all for your most thoughtful letters." We wrote about how we should use ~~non~~ renewable energy as fossil fuels are not good for the earth. We got a response from James Dawson Head of Royal Correspondence.

We were overjoyed to have received a letter from King Charles! We had passed around the letter and everyone was so excited!

WHY WE LOVE OUR SCHOOL

We love our school because our teacher Mrs Golding took the time to send our letters off. It was a very big privilege!

ALL THE BREAKING NEWS FROM THIS MONTH

A highlight from this month has been a letter from Buckingham which was a reply to a letter we wrote about the Environment.

The king was very pleased to see our outstanding letters to the king.

The letter said "It was so kind of you to take the trouble to write to His Majesty with your concerns for the environment."

James Dawson
Signature

We felt so excited when we opened the letter. We read the letter and felt proud for writing the letter.

WHY WE LOVE OUR SCHOOL

We love our school because Mrs Golding helps us to send the letter.
