We may process "personal data" and/or "special category data" (as defined in UK data protection legislation) in providing education and associated services for primary age children. We have appointed a Data Protection Officer as the Regulation requires.

Data are kept in manual and electronic formats. All feasible security measures are in place. We keep personal information as long as they remain pertinent to the reason for collection and/or for a statutory time frame. Once no longer relevant, destruction is by secure means.

We receive data from many sources including the parents/carers, but also the local authority and other agencies. Data may be shared with third parties as part of the School's services, administration and/or if required by UK law. The School does not accept any liability for processing that may be conducted by any third party outside the School's remit. The School does not knowingly transfer data outside the UK.

In accordance with legislation we have completed a cookie audit on our website. The School site does utilise these internet files for analytical purposes, but not in any intrusive manner.

Please include enough information to enable us to identify you and search for appropriate data.
