*'Together we enjoy Learning, Achieving, Sharing and Praying. Let Jesus Love shine through in everything we do.'*

Dear Parents/Carers,

What a wonderful start to the new academic year, it is always a joy to welcome all the children back after the Summer and to meet all our new starters in reception, Nursery and across the school. The start of the year is always about new beginnings, establishing new routines, relationships and expectations. We pride ourselves in our St Aidan's family about having high expectations of ourselves so we are able to be happy and ready to learn both mentally and physically. The children have made me so proud in how they have settled in and a great start to our new curriculum.

### **New families:**

Welcome to all our new families who have joined our school community, it is lovely to meet you all and I encourage you to attend coffee mornings and school events so you become a core part of the school family.

### **Our 60<sup>th</sup> Anniversary:**

This month we had the wonderful celebration of our 60<sup>th</sup> Anniversary. We celebrated Mass together with many guests who have been part of the St Aidan's family over the 60 years. Our choir sang beautifully and Mr Chapman from Palmer Academy supported us with live music for the occasion. Mr Nicholson who was one of the first four pupils in 1965 gave an inspiring speech how he remembers the kindness from St Aidan's that has remained in his heart through his journey in life. Thank you to Fr Mariusz and Fr Adam for celebrating the mass with us and reminding us of St Aidan's mission to serve others. Thank you to Sasha's grandma who made our beautiful cake for the occasion, it was enjoyed by all the guests.

The guests commented on how exceptional the children were and made them feel like VIPs! All the children then received a surprise treat in the afternoon of an ice cream van treat which finished off the day in a very special way.

To mark the occasion, we also had a whole school photo taken which was an exciting experience, especially for Year 6 on the top row. This will soon be available to purchase via parentmail if you are interested in a copy.

### **Choir:**

The school choir had a great opportunity at the start of the month to join with Palmer students to sing at the Trust mass held at SSPP church. The choir performed beautifully in front of many staff from all the schools in our Trust and thoroughly enjoyed the opportunity. The children will now be preparing and rehearsing to perform at the O2 in the Spring.

### **Tag rugby festival:**

Some Yr 5 & 6 children had the great opportunity to participate in a Tag rugby tournament as part of the Redbridge sports partnership and achieved 2<sup>nd</sup> place! Well done to the team, they enjoyed the experience and made great progress throughout the tournament.

Please enjoy articles from the children: Nursery, Noah's Ark, Nathan (yr4), Diab (yr3), Charra (yr6), James (Yr6) & Habibah (Yr2)

Have a restful weekend, *Mrs. Campling*

LEARNING TOGETHER

SETTLING IN TO NURSERY

MAKING NEW FRIENDS

# Nursery Newsletter

September 2025

**September has come to an end already.  
Here's what Nursery has been up to!**

Welcome to our Nursery newsletter, September has been a great month!

We have welcomed back children who were with us last year and have helped our new friends to settle into the Nursery routine.

## RE lessons

In RE we are learning about the Story of Creation! We learnt that God made the world and everything in it, including us! We have explored how we are different as well as all the wonderful ways that we are the same.

We are learning that we need to help take care of the world that God created. Some of the children helped to clear up the leaves outside the Nursery. Going forward we will be looking at who is in our family and how we can share God's love with them.

Please email us a family photo for our community board!

## Birthday treats!

### St Aidan's celebrated 60 years

The school celebrated its 60<sup>th</sup> Birthday this month! We all got to share a special treat in the playground, the children were so excited to see the ice cream van!

Happy Birthday St Aidans!

We have loved welcoming the children back into Nursery and are looking forward to all the wonderful things we will be doing over the next term and beyond!

If you have any questions please do not hesitate to speak to Mrs Ince, Mrs Higgins or Mrs Su at the gate!

## Reminders

With the weather being unpredictable, please ensure that your child is wearing appropriate clothing when coming into Nursery.

Please email a family photo for our community board.

Don't forget to bring a water bottle each day for your child.

## This month in Noah's Ark

Welcome to the very first edition of our Noah's Ark newsletter! Each month we'll be sharing a little window into our classroom, celebrating the children's learning, exploration, and achievements. We'll also keep you updated on our current topics, special events, and ways you can support learning at home.

We are so excited to share the wonderful things the children get up to in Noah's Ark.

Thank you for being part of our adventure! Miss Chambers.

"We are so proud of how confidently the children have settled into the new school year. Their positive attitudes and excitement for learning have already set the tone for a fantastic term ahead."

### Stay and Play

## Notices

We would love to hear what you would like to see in our next newsletter.

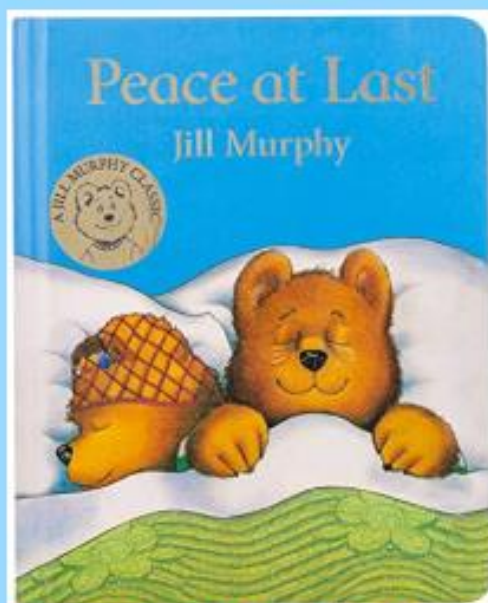

Can your child please bring in or email the school office a photo of their family.

As colder weather approaches please remember to send in coats and wellies.

# Classroom Moments

## Teacher's Note

This half term our learning is all about 'our family and ourselves'. To help us explore this, we would love for you to send in a picture of your family for your child to share with the class.

Our next class book will be 'Peace at Last' by Jill Murphy. This lovely story follows Mr Bear as he tries to find a quiet place to sleep while the rest of his family go about their noisy bedtime routines. It's a wonderful book to help the children think about different roles within a family, the comfort of being together, and the importance of caring for one another, while also exploring different sounds we hear in our environment.

## Our Values

Each year, every class is given a special value to represent in a frame displayed in the school. Noah's Ark has been given the value Love, and we have filled our frame with beautiful photos of the children showing love in different ways — through kindness, friendship, and caring for one another.
