Large parts

We have developed our large parts area and the children are having so much fun exploring, building and creating together. Their imaginations run wild as they create their own fun using a whole variety of recycled materials. Potion and soup making in the mud area, building slides and playing the floor is lava with the tyres has been the excitement this week. Our next project is to create a mini stage with dressing up and performances along with developing our social spaces by enhancing our gazebo so watch this space!

Next Parent play session

Save the date:

8th May 12-1pm

Please contact the school office to book a place. Parents/carers only.

Come and have lunch and join in the fun, please wear suitable footwear.

Wellies

It is fantastic to see so many children wearing wellies and enjoying the full experience of the outdoors.

Thank you for the donations of the spare wellies as this ensures all children are included.

Please continue to donate them when they are outgrown!

Golden welly award winners this term

Daniyal (4/5D)

Botond (6Dw)

Marshall (3/4R)

Hasan (2A)

Sebby (1M)

Donations – We need your help

We are looking for the following:

- Dressing up items
- Fabrics/material
- Board games

Please let us know if you have any business contacts who can help our school!

Flexible lunching

We introduced flexible lunching back in February and it has been a huge success. The children choose when they come into eat in the hall rather than at a set time. This enables the children to have a choice, dine with who they wish and eat when they are ready.

We have seen such a positive result and calmer dining experience.
